# A guide to our service

<b>Application and completion fees</b>	Please refer to the rate tables for details of any fees payable. Where your client has opted to pay upfront, these must be received before we will issue any mortgage offer. Any fees payable, with the exception of application and valuation, are refundable if the loan does not complete.
<b>CHAPS</b>	It is our usual practice to send the loan to the conveyancer by CHAPS. If your client elects to do this, £6 will be debited from their account, and they'll incur interest as part of the mortgage balance. If your client elects to pay upfront in order to avoid incurring additional interest, they must pay this fee prior to offer.
<b>Direct Debits</b>	All our mortgages are conditional on monthly payments being made in advance by Direct Debit on the 1 <sup>st</sup> of each month. All interest rates include a Direct Debit discount of 0.25%. If the Direct Debit is cancelled for any reason, the Direct Debit discount will be removed.
<b>Discounts</b>	All discount periods apply from the end of the month in which completion takes place if no fixed end date is quoted. A floor applies to all discounted products in this guide. Unless specifically stated otherwise for a particular product, this floor is 0% i.e. no pay rate will ever be less than 0%.
<b>Early Repayment Charge (ERC)</b>	Where no ERC applies, or the ERC period has expired, unlimited overpayments can be made. Where there is a 10% overpayment allowance, this is per annum and cannot be rolled over.
<b>First time buyers</b>	For first time buyers, products are only available on a repayment (Capital and Interest) basis. We require a minimum of six months continuous employment and we may need proof of deposit.
<b>Incentives</b>	The majority of remortgages qualify for free standard legal fees, providing your client uses the Skipton Remortgage Conveyancing Service, and no charge for a valuation for mortgage purposes. There may be some additional legal costs payable where the loan is above £1 million. There is no charge for property valuation for mortgage purposes where the value is less than £1.5 million. In some cases, your client may be required to pay certain legal costs which are not usually included in a standard remortgage, such as transfers of equity or deed of postponement.
<b>Interest Only</b>	Interest Only mortgages are available to a maximum of 70% LTV, not available for first time buyers. Interest Only acceptable repayment strategies and further information on our lending criteria, please refer to our A-Z Lending Criteria Guide at <a href="http://www.skipton-intermediaries.co.uk/Criteria/A-Z-Lending-Criteria">www.skipton-intermediaries.co.uk/Criteria/A-Z-Lending-Criteria</a> .
<b>Loan to Value (LTV)</b>	Please note, where separate interest rates apply for different LTVs, a change in the valuation or loan required may mean your client is ineligible for the rate they originally applied for. In this instance you will be advised of the change and asked if you still wish to proceed with your client's application. Before submitting a full application, you should use our affordability calculator and Decision in Principle facility to ensure the case fits our criteria.
<b>Offers</b>	Mortgage offers for purchases and remortgages are valid for six months (except Additional Borrowing offers which are valid for one month and New Build offers which are valid for nine months) and are not transferable to different properties.
<b>Product transfers</b>	All remortgage products are available for product transfers via our eMortgages system and will be eligible for a retention procurement fee payment.
<b>Follow-on rates</b>	Standard Variable Rate (SVR) was the base rate applying to mortgages taken out before 30 December 2009. The Base Rate Tracker (BRT) revert rate applies to mortgages taken out between 30 December 2009 and 13 November 2012. Mortgage Variable Rate (MVR) is the base rate applying to mortgages taken out from 14 November 2012. Should your client be on a product linked to, or which changes to, SVR or the BRT revert rate and they move to a product which is linked to or changes to MVR, it is not possible to subsequently move back to SVR or BRT.
<b>Valuation fees</b>	If applicable, these are payable with the application (except where stated) and include a non-refundable Valuation Panel Management fee of £26 for arranging and administering our valuation. This fee should be shown in your client's Mortgage Illustration. Minimum property valuation/purchase price (whichever is the lowest) is £50,000 (mortgage report and valuation only). The valuation report is for the benefit of Skipton for mortgage purposes only and there is no charge for this where the property value is less than £1.5 million. This valuation report does not guarantee that the property is free from defects, on some occasions an AVM (Automated Valuation Model) only may be carried out. Your client may require a Home Buyers report or full Buildings Survey if they are purchasing a property. This should be arranged with the clients and a valuer. If your client changes the property to another during the mortgage process, and the original property has already had a valuation for mortgage purposes without a charge, a valuation fee will apply to the second property or any further property.
