

FOUNDED ON FAIRNESS

We started in 1853 with a clear purpose - to build a better society. One that's Founded on Fairness. Fairness in what we provide to our members and fairness in what we stand for in society.

And that's as true today as it was over 170 years ago.

A mortgage with us makes you a member...

And that gives you access to exclusive savings rates, free services such as our Pension Health Check and EPC Plus Report*, a say in how we're run and the knowledge that we give 1% of our pre-tax Group profits to charities each year.

Find out more about everything membership has to offer here skipton.co.uk/member-benefits or speak to your broker to find out more.

What our members say

"Very pleased with my experience with Skipton. I have used Skipton as my mortgage lender and the whole process was very smooth and straightforward. They are very easy to contact and helpful... Thank you so much! would recommend."
